

## **DSCR's Industrial Gas Support Program for CONUS**

**(This program does NOT include Class 1 Ozone Depleting Substances (ODS)!!! – Continue to use established ODS Program procedures and Points of Contact)**

Defense Supply Center Richmond (DSCR) awarded an industrial gas support contract to Haas TCM, Inc., to supply industrial compressed gases to Military and Federal activities in the Continental United States (CONUS). The CONUS Industrial Gas Support Program includes:

- Supplies a menu of compressed and liquefied gases in a variety of cylinder sizes.
- Delivers full cylinders to the customer's site.
- Charges for product only. No extra charge for returnable reusable cylinders.
- Pick up for empty reusable cylinders from the customer's site (in most cases).

Continue to order your Industrial Gas requirements using your Service/Government agency automated ordering systems using MILSTRIP/FEDSTRIP (Standard Form 344) or shop online through DoD E-Mall.

The vendor will adhere to Time Definite Delivery standards. Orders will be filled according to the Issue Priority Group (IPG) selected by the customer and will commonly be delivered within 2 – 5 days and typically no later than 12 days.
